

In the 112th Congress, Congressman Jim Costa serves on two powerful House Committees: the Committee on Agriculture and the Committee on Natural Resources.

On the Committee on Agriculture, Costa serves as ranking member on the [Rural Development, Research, Biotechnology, and Foreign Agriculture Subcommittee](#) and on the [Conservation, Energy, and Forestry Subcommittee](#).

For the Committee on Natural Resources, the Congressman serves on the Water and Power Subcommittee and the Energy and Mineral Resources Subcommittee. Congressman Costa's appointment gives his constituents a voice on water issues, such as water resources planning, research and development and irrigation programs, as well as mining, oil, and gas

Along with his committee assignments, Costa was co-founder of the Congressional Water Caucus and the Organ and Tissue Donation Awareness Caucus. Costa is a member of the following Congressional Caucuses:

[Armenian Caucus](#)
